

Post-Concert Picnic Options for Tobin Young People's Concerts

San Antonio Symphony

Dear Teachers and Administrators,

New as of the 2019-2020 Symphony season and academic year, **the Tobin Center for reasons of safety and security will no longer be allowing school groups attending our Young People's Concerts to stay on site for post-concert picnics.** Please see below a list of suggested alternative picnic lunch locations. **Other recommended options** not detailed here are **Lion's Field** (2809 Broadway St), **San Pedro Springs Park** (2200 N Flores), and **MacArthur Park** (1611 NE Interstate 410 Loop). You may also wish to consult the City of San Antonio Parks and Recreation website which has more information about the numerous public park locations in the city and their amenities: <https://www.sanantonio.gov/ParksAndRec/Parks-Facilities>

While we are not equipped to answer questions about the parks and their facilities, we are happy to help support your field trip in any other way we can. Please don't hesitate with any questions you may have or how we can help!

Musically yours,

Jeremy Brimhall | Director of Education | San Antonio Symphony | o (210) 554-1006 | brimhallj@sasymphony.org
